### Social Initiatives

**Contributed to the hosting of a sporting event.**

Carillion's Caribbean Region recently assisted the Trinidad Enthusiasts Rugby Club to host their 15th Annual International Rugby 7's Tournament.

Teams from around the world participated including, the Caribbean, North & South America, Europe, South Africa and for the first time this year New Zealand and Samoa.

Throughout the 15 years the Tournament has grown from its original 6-team format and now involves men and women's teams in separate categories.

During the Tournament weekend the Club also took the opportunity to host the Finals of the Under 15s and Under 17s School's Championship.

In return for our contribution Carillion received 4 complimentary tickets which were part of a staff prize draw.
