Details

Business: Carillion Building / Construction Training

Date(s): 25th Feb and 9th March 2005

Location: Heathrow

Working with: Isleworth and Syon Boys School and Brentford Girls School

Business Benefits

Raising the profile of Carillion

Improving community relations

Encouraging student to consider construction as a career

Demonstrating our commitment to the local area & schools

As part of Carillion's ongoing collaboration with local schools, two schools local to Carillion's Brentford office went to the Construction Training Centre at Heathrow

In collaboration with the local Education Business Partnership Carillion Construction Training opened it's doors to two schools local to Carillion's Westlink House, Brentford offices.

Isleworth & Syon Boys attended on 25th February & did a course in painting & decorating & wallpapering.

Brentford School for Girls attended on 9th March and did courses in painting, decorating, wallpapering & bricklaying.

Each student received a certificate of attendance

An Isleworth & Syon Boy's school student at the Construction Training Centre Heathrow

A Brentford Girls School student on 9th March 2005`
